	Proforma Invoice	
	Quality Management System Certification	
	 Conformity Documents (test reports, quality certificates, analysis reports, etc) 	
	 Final invoice (except Airfreight, courier and shipments from nearby countries).

400504547 4574005	ROUTE A: applicable to any goods and any trader
ASSESMENT METHODE	 ROUTE B: Recommended for frequent exporter with homogeneous products (Registration is renewable annually, subject to continual compliance.)
	 ROUTE C: For Certified products
	A Certificate of Conformity (CoC) is the document issued to evidence the compliance of the shipment to the relevant approved standards.
	 This document is required for Customs clearance.
	 For consignments shipped to Zanzibar without CoC, importers may be issued a penalty of 15% CIF.
Certificate of Conformity (CoC)	ZBS will only grant release of such goods upon completion of inspection, testing (where applicable) and verifying conformity to the Standard. It is the seller's responsibility to ensure that shipments to Zanzibar are effected only upon issuance of a Certificate of Conformity or confirmed certification decision
NON CONFORMITY REPORT (NCR)	If the reports from the verification activities such as testing or inspection show discrepancies versus the verification criteria, exporters will be informed accordingly and given sufficient time to make the necessary corrections; if those are not or cannot be made a "Non Conformity Report" (NCR) will be issued. This may imply that goods are not allowed to be shipped into Zanzibar.
	Fees are payable in advance by the exporter. Fees are net of any tax present or future that may be applicable and are payable upon reception of the Request of Certification (RFC).
FEES	Fees are due regardless of whether after assessment of the goods of the exporter or importer does not provide the information or document necessary for the final issuance of the CoC, or for any other reasons does proceed to the shipment of the goods.
